Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

The following documents listed on form PTO-1449 were unearthed in the course of a search conducted during prosecution of the PCT counterpart application. A copy of the Search Report and each of the listed documents is enclosed. None of these documents discloses or suggests the subject matter of applicant's invention, as delineated by present claims 1-8.

Submission of the listed documents should not be construed as an admission that any patent or publication referenced in the Search Report is "prior art" for the present invention, or as a waiver of applicant's right to take any action that would be appropriate to antedate or otherwise remove any listed document as a competent reference against the claims of the present application.

It is submitted that the present application is patentable over the listed references and in allowable condition. Accordingly, allowance of the application is earnestly solicited.

It is understood that no fee is necessary for submission of this Information Disclosure Statement, as it is being filed before the later of three months from the filing date or the mailing of the first Office Action on the merits.

For the reasons set forth above, it is submitted that no additional fee is required for this Information Disclosure Statement. However, in the event that the Commissioner deems that an additional fee is required, it is respectfully requested that applicant's attorney be contacted and accorded an opportunity to pay such additional fee.

Respectfully submitted,
